COMPANY DETAILS

About Us

With a focus on expert solutions for electrical installations, maintenance, and servicing, Iletco Electrical Limited has been a rapidly expanding electrical installation company located in Zambia since its establishment in 2023. We are dedicated to delivering reliable, high-quality electrical systems tailored to the unique needs of commercial, industrial, and residential projects. Driven by innovation and a commitment to excellence, our skilled team ensures every project meets the highest standards of safety, efficiency, and performance. As we continue to grow, Iletco remains a trusted partner in powering Zambia's future.

VISION MISSION

VISION STATEMENT

Iletco Electrical Limited aims to be Zambia's top provider of electrical installation services, known for innovation, honesty, and quality. We seek to establish the industry standard by continually delivering safe, dependable, and energy-efficient systems that drive infrastructural development and industrial expansion across the country. As we grow, we hope to expand our knowledge regionally and become one of the best companies in the Southern African power and electrical services sector.

MISSION STATEMENT

Our mission is to drive advancement by providing high-quality, professional electrical installation services that exceed customer expectations in terms of performance and safety. We are dedicated to completing projects on time, within budget, and with the best electrical construction standards. Iletco Electrical wants to be the go-to partner for public and private sector clients looking for trustworthy electrical solutions by investing continuously in technology, people, and operational efficiency. Our work is based on a strong sense of responsibility-to our clients, our community, and the environment.

At Iletco Electrical Limited, our primary goal is to provide world-class electrical installation solutions that match our customers' changing demands, with an uncompromising dedication to quality, safety, innovation, and service excellence. As a rapidly expanding participant in Zambia's energy and infrastructure sectors, we have designed our objectives to reflect what is most important to the businesses and organizations we serve:

SERVICE DELIVERY EXCELLENCE

Our major goal is to constantly provide high-quality electrical installation services that are tailored to customer specifications while remaining on time and within budget. Whether for a home, commercial, or industrial project, we strive to create trustworthy, code-compliant solutions that meet international standards. We place a high value on pre-installation planning, accurate execution, and rigorous quality control at all stages of the project.

CUSTOMIZED SOLUTIONS AND TECHNICAL CONSULTING

No two projects are alike. That's why one of our goals is to grow our in-house engineering and consulting capabilities, providing clients with value-added services including system design, energy efficiency advice, equipment specification, and technical audits. Our goal is to become a genuine partner, not just a contractor, assisting customers in making favourable decisions that are consistent with their operational and financial objectives.

AFTER-SALES SERVICE AND MAINTENANCE

We are devoted to providing long-term client happiness after the original installation. Our mission is to provide dependable after-sales service, which includes periodic maintenance, system diagnostics, and prompt issue resolution. We are also developing a responsive technical support staff to guarantee that clients continue to benefit from smooth system performance even after the project has been completed.

PRODUCT AND TECHNOLOGY LEADERSHIP

Iletco Electrical Limited is always looking into new technologies and industry advancements to provide clients with energy-efficient, future-ready solutions. We intend to extend our product and service offerings to include smart system integration, solar and backup power alternatives, and improved safety components, guaranteeing that our clients benefit from the most recent advancements in electrical infrastructure.

CLIENT-CENTRED GROWTH

Our objective as we increase our operations is to retain a very customized service experience. We want to develop long-term partnerships by being available, responsive, and proactive. Every job, big or small, must receive the same degree of expertise and care – since client trust is our most precious asset.

Iletco Electrical Limited offers comprehensive electrical installation contracting services that are tailored to meet today's demanding construction needs. With an emphasis on quality and safety, we provide dependable electrical systems that power buildings, operations, and critical services throughout Zambia.

Our key competences are:

- Complete electrical installation for commercial buildings, industrial plants, warehouses, residential and institutional projects.
- Supply and installation of Low- and medium-voltage switchgears
- Smart System installations, both indoors and out, with an emphasis on green energy economy and control systems
- Modern Earthing and lightning protection systems
- Supply and installation of power backup integration system both Residential and Industrial

We handle projects from design coordination to final commissioning, ensuring that all installations are executed and are in compliance with Zambian regulations and international best practices. Our skilled technicians and project managers are equipped to work in active construction zones, occupied buildings, and complex environments with minimal disruption.

Dear Sir/Madam

RE: TAX CLEARANCE CERTIFICATE FOR ILETCO ELECTRICAL LIMITED - SECTION 81B (CAP 323)

This is to certify that ILETCO ELECTRICAL LIMITED trading as ILETCO ELECTRICAL LIMITED with TPIN 2001689328 is duly registered for tax purposes.

In addition, this tax clearance certificate has been issued to ILETCO ELECTRICAL LIMITED trading as ILETCO ELECTRICAL LIMITED pursuant to section 81 B of the Income Tax Act (CAP 323).

This certificate is valid up to 31/12/2026.

Accordingly, in terms of section 81 B of the Income Tax Act, for the duration of this certificate, the above named is free to conduct business in line with the trading license held.

Please note that any established act of non-compliance with the provisions of the Income Tax Act shall invalidate this Certificate.

You are advised to always scan the QR code to verify the validity of this Tax Clearance Certificate especially when submitted on a date different from the print date.

Yours Faithfully,

RICHARD KAPASA
